Kia ora to your School/ECE or Business

CAN you assist Presbyterian Support Family Works team in the lead up to the South **CAN**terbury weekend Food Drive for our Food Bank.

With 15% of the New Zealand population living in poverty this includes a significant number of children. One in Five New Zealand children live in households that struggle to put enough good-quality food on the table, and a staggering **100,000** children go to school every day without breakfast. With the rising cost of food and bills in general families in our community are struggling each and every day to make ends meet.

Your support with this campaign to help fill the tummy of our Family Works Food Bank would be amazing so as Family Works **CAN** continue to provide this free service to our community. With nearly **2,000 food parcels** given out in the last year, we anticipate the number to be about the same with the average food parcel costing around **\$30**.

So, what **CAN** your school, early childhood centre, business do? With South **CAN**terbury weekend looming on 22nd September, we would love your school to celebrate with us that week and collect non-perishable food items for our food bank.

Along with this letter are some practical ways you **CAN** help and we would love to give you a shout out on our social media so let us know what your up to by emailing us at marketing@pssc.co.nz

Poverty in our community is real but you **CAN** help us make a real difference.

Ideas to help fill up the Family Works Food Bank this South **CAN**terbury Anniversary

Get your workmates, school buddies, family and friends involved - here's how:

Have a dress in **GREEN** and **BLACK** day to show your support for the South **CAN**terbury Food Drive for Family Works! Bring a **CAN** or two instead of a gold coin, make a **CAN** tower or spell out South **CAN**terbury.

DONATE instead of doing a **CAN** collection. Did you know that the average Food Parcel cost **\$30** a day ! How many food parcels can you help Family Works purchase?

Promote Family Works by decorating your workplace in **GREEN** and **BLACK** and share the services and amazing work that the Family Works team do to help so many in our community. Send us your pictures!

Cut out the Donation Box included (*on A3 card preferably works best*) and display in your school/ECE/business reception - see how much you **CAN** collect from members of the public during South **CAN**terbury Week.

Hold a morning tea or quiz, a friendly games competition and instead of charging dollars get everyone to bring a **CAN** instead. Raise money in exchange for a song, poem, painting! Get creative, anything goes!
